

Do you suspect that politicians and the media are lying to you?

Have you had enough of a society that cares only for mindless consumption?

Would you like to do something about it?

EARTH FIRST!

SUMMER GATHERING 2004

Wed 4th – Mon 9th August

What is the Earth First! Summer Gathering?

The Summer Gathering is where people involved in radical direct action – and those who want to be involved – get together for five days to talk, share skills, learn, play, rant, find out what's going on, live outdoors, strategise, hang out, confront, transgress, scheme and laugh.

The gathering is also a practical example of non-hierarchical low-impact living in action. This year it will take place somewhere in central England from Wednesday 4th to Monday 9th August.

EF! is a movement not an organisation. It is open to everyone who cares about the planet and it's inhabitants. We are a diverse community, working with a variety of approaches on a wide range of issues.
