

Young people: Children and young people are welcome. Please let us know numbers, ages and any special needs. There'll be a kids' space, hopefully a teen space, and some activities, but you're still responsible for any young people you bring.

Cost: At the gate, we'll be asking for £15 from every adult (including all the people who are helping out) to cover the cost of organising the gathering. Earth First! has no central office, no members, no paid workers, and also no money. Any donations will be much appreciated. Make cheques and postal orders payable to **Earth First!**

Food: The Anarchist Teapot mobile action kitchen will be cooking GM-free vegan food. You can buy their meal tickets for £4 a day, or bring your own food to cook and a camping stove. There will also be cooking facilities for people with children to cook food either individually or communally.

Dogs: This year's site is surrounded by sheep farms. Dogs allowed to run loose are likely to be shot by landowners, so if you can leave your dog at home or with friends, please do so. Dogs will need to be kept on a lead at all times. If you really have to bring your dog, you must let us know in advance.

Cameras and press: This is not a press event, so if you're coming as a journalist then you're not welcome. Please respect the wishes of some people not to be photographed and leave your camera at home.

Five days of low impact eco-living,
being together, playing, planning
and plotting to avert the
destruction of our precious planet.
Please join us - we aim to make
this an inclusive gathering.
